

Chairperson
Thornwood Community Council

8 August 2007

Dear Chairperson

92 Bus to Gartnavel

Thank you for alerting me to the change in service of the Number 92 between Partick Interchange and Gartnavel Hospital.

I would be grateful if you could inform the Community Council that I met with First's Managing Director, Mark Savelli, and put my concerns to him. Mr Savelli agreed to consider reverting back to a thirty minute service.

First have confirmed in writing to me that it is their intention to reinstate the service and I enclose full details of the route for your information.

I can consider this to be a great success story for the Community Council and was pleased that I was able to raise your concerns with the company directly. As always, if I can be of any further assistance please do not hesitate to contact me and thank you for all the work that you do on behalf of the people of Thornwood.

Yours sincerely
