Help me represent you better by returning my priorities survey...

1. How satisfied are you with my work as your local MSP?

Very Satisfied Fairly Satisfied Unsure Unsatisfied Very Unsatisfied

2. What is the number one priority you think I should be campaigning on in 2008?

3. I have recently re-launched my parliamentary web site, what sort of information would you like to see provided?

4. I am also launching a new *Parliamentary Brief* for local organisations containing information on what is happening in the Scottish Parliament and constituency news, would your organisation be interested in this? What sort of thing would you want included?

5. Do you feel your representatives are interested in the work your organisation is doing, what could be done to improve communication between us?

6. Since I was first elected in 1999, I have welcomed hundreds of constituents to Parliament, would your organisation be interested in a visit to Holyrood?

7. Many local organisations send me copies of their minutes and newsletters or invite me along to their events, would your organisation be willing to do this?

8. If you could change just one thing about our local area, what would it be?

And finally, is there anything else you would like to raise with me or let me know about?
