Dear Constituent

Let's Talk - Parking in Yorkhill

Your local councillor, Philip Braat, and I are aware of the concerns of many local residents over parking in and around Yorkhill. My Constituency Office is located in the area and I know that parking in Yorkhill has been a contentious issue for a number of years now. With the introduction of parking charges at the Royal Hospital for Sick Children, the Queen Mother's Maternity Hospital, the Kelvin Hall International Sports Arena and the Kelvingrove Art Gallery and Museum, more and more people are approaching Philip Braat and I to express their frustration.

A number of areas similar to Yorkhill now have controlled parking schemes which allow residents to purchase an annual parking permit, while discouraging commuter parking with hourly charges and the City Council will shortly be launching a consultation with local people about extending the scheme to cover you area. **Cllr Philip Braat and I are keen to ensure that any scheme which may be introduced has the support of people who live here and we are therefore holding a public meeting in the Overnewton Centre to allow you the opportunity to share your experiences and discuss the way forward.**

The meeting will take place on Tuesday 25 March and will begin at 5 pm. Please return the freepost registration form overleaf, if you would like to come along.

With all best wishes,

Pauline McNeill MSP
